Client Design - All Rights Reserved.

1. This design and all related drawings, plans, and documents are the intellectual property of Cleek Design. No part of this design is to be reproduced, distributed, or used in any way without the express written consent from the copyright owner.

2. Contractors and sub-contractors must check and agree all dimensions before commencing any work or construction.

3. Contractors are responsible for verifying the design of any drawings/measurements on the drawing or against the drawing and any other related information.

4. Vertical dimensions only are to be used from this drawing. If any doubt exists the contractor must ask for clarification. On no account must the contractor make any assumptions.

5. Full site investigation has been carried out prior to commencement of work. Contractor to make their own assessment of ground for proposed foundations.

6. All work must be carried out in accordance with the current Building Regulations Code of Practice and other Standards. If any doubt exists the contractor must ask for clarification.

7. All references are to accompanying specification.

Completed and submitted projects are not liable to the NBS under CDM 2015 if the construction work on site is scheduled to:

a) Last longer than 30 working days or more than 20 workers working simultaneously at any point in the project or

b) Exceed 100 person days.
