Dear Sir,

Re: Public Rights of Way.

Bangley V.D. No. 285
Denholme V.D. No. 40
N/W
N/P

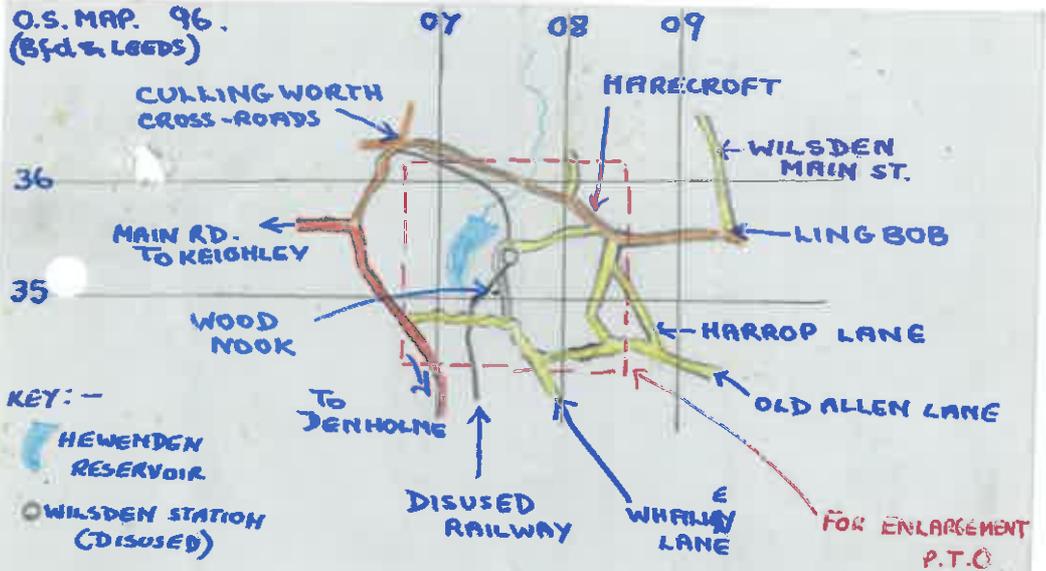

I enclose a copy of part of the Ordnance Survey Map showing a track between Station Road, Heanycroft and Whalley Lane, Denholme.

The two local Councils seem to disagree as to the exact status of this track, as the part in Bangley V.D.C. is shown as a bridlepath, but Denholme V.D.C. say that the path was a bridlepath but has for some unknown reason been changed to a footpath, sometime after 1952.

I would be much obliged if you could offer some assistance as we are trying to keep open all tracks and paths in this area owing to shortage of facilities and in accordance with the European Conservation Year activities.

Yours faithfully,
K. J. Hiddys (Ulster)
