Serial Number of Path as shown on Map.	Type of path, e.g. footpath, bridleway, or Road used as public path.	Name of Path (if any).	Starting Point of path.	Ultimate destination of path.
53. 40	Cart road used as a public path.	-	Whalley Lane, 100 yards due east of Meal Bridge.	Denholme Urban District boundary at Gleid Hill.

Use this information to be given here about features occurring on the path, including the nature of obstructions, the full wording of notice boards or direction posts, the nature of damage or of repairs required, particulars of the stiles and gates and any symbols shown on the Map which require further explanation.

Leaves Whalley Lane in a northerly direction along a cart road, passing the approach to Wood Nook Cottages and then beneath a railway arch (14 yards in length). Approx. 100 yards north of this railway arch the path passes through an iron wicket gate on the east side of a field gate and continues to a second wicket gate on the north side of a field gate at the Denholme Urban District boundary. Within the precincts of the two gates are notice boards indicating that the land west of the path is private.

Use this information to be given here as to the average width and general condition of the path (particularly whether it is metalled or ploughed).

Average width 3 yards. Roughly metalled with local stone. In poor condition.

Use this information to be given here for believing the path to be public, e.g. "Awarded," "Repaired at Public Expense (with date)," or "Uninterrupted user by public for — years," as the case may be, together with particulars of any documentary evidence referred to or producible in support.

Uninterrupted user by public for over 40 years.

Use this information to be given here names and addresses of the persons who carried out the survey, and the date on which it was carried out.

Mr. W. H. Plummer, Surveyor, Council Offices, Denholme.
19th October 1950.
